

Raising Funds for AMBUCS by collecting Inkjet Cartridges, Cell Phones, PDAs, iPods & Laptops and providing a Free Recycling Service to your community!

HOW TO START THE EASY & HASSLE-FREE COLLECTION

1. Order collection boxes one of three ways: www.scrapdr.com and fill out the form for 'How Do I Recycle'; email: larry@scrapdr.com or call us (888)286-7188.
2. B.C.S. Recycling Specialists sends you a collection box (10"cube) marked with the AMBUCS logo and Your Chapter Name below it.
3. Place the boxes around your community (large & small businesses, high traffic spots like banks, coffee shops, retail stores, etc.)
4. Tell everyone to recycle inkjet cartridges, PDAs, iPods & cell phones in the box.

ANYONE CAN DROP OFF AND RECYCLE:

- **Used Inkjet Cartridges** – place in box, your AMBUCS chapter receives \$2.50/cartridge.
- **Cell Phones with or without the battery** - place in box and your AMBUCS chapter receives \$2.50 per phone.
- **PDAs & iPods**- place in box, your AMBUCS chapter receives \$2.50/item.
- **Laptops** – contact us for a pre-paid shipping label. Your AMBUCS chapter receives \$10/laptop.
**Please note that some collected items may be damaged and thus deemed of no value. B.C.S. will still recycle all these items but they will not be able to pay your chapter for them.*

WHEN THE BOX IS FULL:

- 1) When the box is full, simply pull out the bottom flap and seal it so the pre-paid FedEx Ground label is showing.
- 2) Fill out the attached sticker for more boxes to be sent.
- 3) Call FedEx Ground (800)GO FEDEX for a pick up.

When B.C.S. Recycling Specialists receives the full box, we evaluate the contents, enter the value into our database, and send you a check. A new empty box is also sent to the host location. All items are recycled and nothing goes into the landfill.
