

# AmTryke 2700 Series

## 2700 Series AmTryke®

20 inch or  
24 inch tires

### Introducing the new 2700 Series AmTrykes!

These tricycles are intended for use with any riders who need the full support provided by a wide wheelbase and stability of a tricycle. Featuring a step through frame and available with either 20 inch #50-2701 or 24 inch #50-2702 pneumatic wheels.

Extra wide saddle seat. Front and rear reflectors. Brake lever with loading lock. Steering restriction pin. Wire basket, bell and helmet included. Shown with seating option— padded back with 2 laterals.
